### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Ronald Kubovcik on 06/16/2006.

The application has been amended as follows:

In claim 1, line 14; insert --located on the endless track and-- after "body (30)";

In claim 1, line 16; insert --less than-- after "which is" and delete "part of";

In claim 1, line 18; insert --each mounted in a stationary position relative to the track-- after "(22, 26)";

In claim 6, line 2; delete "the" after "that" and instead insert --a--;

In claim 8, line 3; delete "the" after "that" and instead insert --a--;

In claim 10, line 2; delete "the" after "that" and instead insert --an--;

In claim 11, line 3; delete "the" after "that" and instead insert --an--.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or suggest the combination of the claimed packaging machine as amended and supported by the reasons provided in the remarks of the amendment filed on 12/28/2005 and further with the examiner amendments enclose herein.

Art Unit: 3721

In particular, the prior art of record fails to disclose the claimed wrapping packaging machine comprising drive element (Fig. 1; via drive element 22), which is mounted in a stationary position relative to the track (via track 20) for moving the flexible elongated body (30) along the track (20).

Note that U.S. Patent No. 6,247,294 discloses flexible elongated body (Figs. 1-3; via 6 and 17), while the driving element is moving with the flexible body along the track.

As of claims 9-12 and 15; even-though they are directed to different species, but have been allowed as they depend from the allowed claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
